

M15 Motion Sensor

Expand security insights with real-time motion detection
in sensitive, camera-restricted areas.

Detect Motion in Any Location

The M15 sensor enhances security while protecting privacy, using advanced motion detection for sensitive areas.

With customizable alerts, flexible installation, and long-lasting battery life, it offers 24/7 protection against unauthorized access, theft, and vandalism. Intelligent motion alerts trigger alarms and notify security staff, providing a robust security solution for privacy-sensitive environments.

Motion sensing in camera-restricted areas

Get instant detection alerts

Long-lasting battery life

Backed by a 2-year warranty

M15 Specs

Dimensions: 74.2 mm (2.92in) x 38.2mm (1.5in) x46.9mm (1.85in)

BLE Range: Up to 100m (328ft)

Battery Type: Replaceable 2x3.6V ER14505
Lithium batteries included

Battery Life: 5 Years

Motion Capabilities: Passive infrared

Sensor Coverage: Horizontal 120°, Vertical 60°, 12m (39ft) maximum

Mounting Type: 30° tilt for flexible install. Two-sided tape (included)
or screws with required mounting bracket

Outdoor Use: Use in a covered location; resistant to brief
incidental splashes
