R600 Multisensor Camera

Ideal for comprehensive coverage across expansive spaces.

Starts at **$3,099**

Overview

Rhombus R600 multi-sensor camera packs four sensors into one powerful camera to give users comprehensive visibility across their most expansive areas. The R600 reduces blind spots and maximizes coverage in large spaces like manufacturing floors, warehouses, parking lots, school cafeterias, airports, and other public spaces.

Paired with the Enterprise Console License, the R600 provides proactive security with advanced AI Analytics that speeds up investigations, accelerates emergency response, and helps you stay one step ahead of threats.
